

REMARKS

Attached is a new figure 8, which shows an assembled view of the wall according to the invention. It is submitted that this meets all PTO requirements, and entry is solicited. Reconsideration of the requirement to show the features of claim 20 is requested in light of the earlier cancellation of that claim.

All necessary extensions of time are hereby requested. Enclosed is a check in the amount of \$120 for a one-month extension. Please charge any fee deficiency to deposit account 50-1088.

Respectfully submitted,
CLARK & BRODY
